So, after closer scrutiny, how healthy are we in these two areas? Do we need improvement? If so, what are you personally going to do about it? Remember, you are the church. Change starts with each of us making necessary changes to do our part.

From the Pastor...

Beloved,

As you live your life for Jesus Christ, don't forget you are a witness of His power to save. In addition to your personal testimony, always be ready to share God's plan of salvation. At a minimum, you need to memorize Romans 3:23, 6:23, 5:8 and 10:9. Be prepared to boldly declare the truth of God's Holy Word.

We are also looking for people to assist in being Ben's Buddie on Wednesday nights. If this is something that you feel God has called you to do, please let Russ Collins know.

From the Associate Pastor,

Bethel Family,

Bethel is an awesome church serving an awesome God. I am so glad I am here, but there are so many in our community that need what we have and I don't think we are giving it to them as we should. For effective evangelism I would give us a 2 or 3 depending on the month. I believe we need to be more consistent as individuals in soul-winning. Every Christian is commanded to be a witness in life and in word. When it comes to multi-cultural outreach and appeal I would give us a 1. We have a great heart for reaching other cultures and races in their home countries through foreign missions but we need to truly evaluate what we are doing for those in our own community. We have the answer for what they need, now let's deliver it with love and clarity.
